

Conditions of Approval		
No.	Standard Conditions	
1.	<p>Authorization:</p> <p>This Coastal Development Permit (CDP 18-231) authorizes the extension of the Beach Fire Management Pilot Program to November 30, 2020. The pilot program includes installation of City-supplied wood-fueled fire devices along the beach, temporary signage to inform the public of the City’s beach fire regulations as well as specifics of the pilot program, additional outreach, adaptive management of components of the program, and enforcement efforts by City personnel. The Pilot Program is intended to be adaptive, and as such, the City Council is authorized to make amendments as deemed necessary.</p>	✓
	Special Conditions	
2.	The pilot program shall include quantitative measures, such as measurements of air quality, and a mechanism for constituent feedback.	✓
3	At the beginning of the winter storm season (on or about November 1 st), City staff will monitor the condition of the beach at least weekly, and ensure that any City-supplied seasonal beach fire devices are removed prior to being threatened by wave-induced beach scour.	✓
4.	The City Council will be provided with an annual update on the Pilot Program at the end of each beach fire season.	✓
