Such obligations to defend, hold harmless and indemnify any Indemnitee will not apply to the extent that such Liabilities are caused in part by the active negligence or willful misconduct of such Indemnitee.

Notwithstanding the provisions of the above paragraph, Consultant agrees to indemnify and hold harmless the City from and against all claims, demands, defense costs, liability, expense, or damages arising out of or in connection with damage to or loss of any property belonging to Consultant or Consultant's employees, subconsultants, representatives, patrons, guests or invitees.

6. INSURANCE

Consultant must submit and maintain in full force all insurance as described herein. Without altering or limiting Consultant's duty to indemnify, Consultant must maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

- A. **Commercial General Liability Insurance** including but not limited to premises, personal injuries, bodily injuries, property damage, products, and completed operations, with a combined single limit of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
- B. **Professional Liability Insurance** with limits of not less than \$1,000,000 per occurrence or claim and \$2,000,000 in the aggregate. - C. Automobile Liability Insurance covering all automobiles, including owned, leased, non-owned, and hired automobiles, used in providing Services under this Agreement, with a combined single limit of not less than \$1,000,000 per occurrence.
- D. Workers' Compensation Insurance. If Consultant employs others in the performance of this Agreement, Consultant must maintain Workers' Compensation insurance in accordance with California Labor Code section 3700 and with a minimum of \$1,000,000 per occurrence.
- E. Other Insurance Requirements:
 - i. All insurance required under this Agreement must be written by an insurance company either:
 - a. admitted to do business in California with a current A.M. Best rating of no less than A:VI; or
 - b. an insurance company with a current A.M. Best rating of no less than A:VII. Exception may be made for the State Compensation Insurance Fund when not specifically rated.
 - ii. Each insurance policy required by this Agreement may not be canceled, except with prior written notice to the City.

General liability coverage can be provided in the form of an endorsement to the Consultant's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10 and CG 23 37 forms if later revisions used).
 - b. Provide that such Consultant's insurance is primary as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City is excess to the Consultant's insurance and will not contribute with it.
 - c. Contain a "Separation of Insureds" provision substantially equivalent to that used in the ISO form CG 00 01 10 01 or their equivalent.

All coverage available to the

Consultant as named insured will also be available and applicable to the additional insured. Notwithstanding these insurance requirements, Consultant is financially liable for its indemnity obligations under this Agreement.

- vi. All policies must be written on a first dollar coverage basis or contain a deductible provision. Any deductibles or self-insured retentions ("SIR") must be declared to and approved by the City. At the option of the City, either: the insured will reduce or eliminate such deductibles or SIR as respects the City, its officers, officials, employees and volunteers; or Consultant will provide a financial guarantee satisfactory to the City guaranteeing payment of losses and related investigations, claim administration, and defense expenses. In no event will any SIR or insurance policy contain language, whether added by endorsement or contained in the policy conditions, that prohibits satisfaction of any self-insured provision or requirement by anyone other than the named insured, or by any means including other insurance, or which is intended to defeat the intent or protection of an additional insured.
- vii. City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
- viii. Consultant must require and verify that all subconsultants and subcontractors maintain insurance meeting all the requirements in this Agreement.
- ix. If Consultant, for any reason, fails to have in place at all times during the term of this Agreement all of the required insurance coverage, the City may, but is not obligated to, obtain such coverage at Consultant's expense and deduct the cost from the sums due Consultant. Alternatively, City may terminate the Agreement.
- x. The existence of the required insurance coverage under this Agreement will not be deemed to satisfy or limit Consultant's indemnity obligations under this Agreement. Consultant acknowledges that the insurance coverage and policy limits set forth in this Agreement constitute the minimum coverage and policy limits required. Should any coverage carried by the Consultant or any subcontractor of any tier have limits of liability that exceed the limits or have broader coverage than required in this Agreement, those higher limits and that broader coverage are deemed to apply for the benefit of any person or organization included as an additional insured and those limits and broader coverage will become the required minimum limits and insurance coverage in all sections of this Agreement. Any insurance proceeds available to City in excess of the limits and coverages required by this Agreement, and which is applicable to a given loss, must be made available to City to compensate it for such losses.
- xi. Consultant must give City prompt notice of claims made of lawsuits initiated that arise out of or result from Consultant's performance under this Agreement, and that involve or may involve coverage under any of the required liability insurance policies.
- xii. The Consultant hereby waives any right of subrogation that any of its insurers may have or that they may accrue out of the payment of any claim related to the Consultant's performance of this Agreement, regardless of whether any endorsements required by this section are obtained.

11. CONFLICT OF INTEREST

Consultant covenants that neither Consultant, nor any officer, principal or employee of its firm, has or will acquire any interest, directly or indirectly, that would conflict in any manner with the interests of City relating to this Agreement or that would in any way hinder Consultant's performance of services under this Agreement. Consultant's attention is directed to the conflict of interest rules applicable to governmental decision-making contained in the Political Reform Act (California Government Code Section 87100 and following) and its implementing regulations (California Code of Regulations, Title 2, Section 18700 et seq.), and California Government Code section 1090.

Consultant is required to file a Form 700 in compliance with the City's Conflict of Interest Code unless a written determination by the City Administrator is made modifying or eliminating said requirement, or unless otherwise exempted by law.

In addition, Consultant, Consultant's employees, and subconsultants agree as follows:

- A. That they will conduct their duties related to this Agreement with impartiality, and must, if they exercise discretionary authority over others in the course of those duties, disqualify themselves from dealing with anyone with whom a relationship between them could bring the impartiality of Consultant or its employees into question;
- B. May not influence, seek to influence, or otherwise take part in a decision of the City knowing that the decision may further their private interests;
- C. May not accept any commission, discount, allowance, payment, gift, or other benefit connected, directly or indirectly, with the performance of Services related to this Agreement, that causes, or would appear to cause, a conflict of interest;
- D. May have no financial interest in the business of a third party that causes, or would appear to cause, a conflict of interest in connection with the performance of the Services related to this Agreement, and if such financial interest is acquired during the term of this Agreement, Consultant must promptly declare it to the City, and;
- E. May not, during the term of this Agreement, perform a service for, or provide advice to, any person, firm, or corporation, which gives rise to a conflict of interest between the obligations of Consultant under this Agreement and the obligations of Consultant to such other person, firm or corporation.

12. DISPUTE RESOLUTION

- A. **Dispute Resolution Procedures.** The parties will make reasonable efforts to promptly resolve any dispute, claim, or controversy arising out of or related to this Agreement (“Dispute”) using the Dispute Resolution Procedures set forth in this Section.
- B. **Negotiations.** First, the City’s Project Representative and Consultant’s Project Manager will make reasonable efforts to resolve any Dispute by amicable negotiations and will provide frank, candid, and timely disclosure of all relevant facts, information, and documents to facilitate negotiations. Should these negotiations be unsuccessful in resolving the Dispute, the matter will be promptly referred to the City Administrator or designee, and the Consultant’s Principal, who will meet and confer, in good faith, to resolve the Dispute to mutual satisfaction of the parties.
- C. **Mediation.** If all or any portion of a Dispute cannot be resolved by good faith negotiations as set forth above within thirty (30) days of the date that the matter was referred to the City Administrator pursuant to subsection B above, either party may, by notice to the other party, submit the Dispute for formal mediation to a mediator selected mutually by the parties from the Monterey Superior Court’s Court-Directed Mediator Panel list. The duration of any such mediation may not exceed 2 hours unless otherwise agreed to by the parties. The cost of the mediation (including fees of mediators) will be borne equally by the parties, and each party will bear its own costs of participating in mediation. The mediation will take place within or in close proximity to the City of Carmel-by-the-Sea.

In any mediation conducted pursuant to this section, the provisions of California Evidence Code section 1152 will be applicable to limit the admissibility of evidence disclosed by the parties in the course of the mediation. In the event the parties are unsuccessful in resolving the dispute through the mediation process, then the parties agree that the dispute will be submitted to Binding Arbitration to a single Arbitrator in accordance with the existing Rules of Practice and Procedure of the Judicial Arbitration and Mediation Services, Inc. (JAMS) within thirty (30) days of the close of mediation as declared by the mediator.

- D. **Arbitration.** The submission to Mediation and Arbitration in accordance with the requirements of this section of any and all agreements, differences, or controversies that may arise hereunder is made a condition precedent to the institution of any action or appeal at law or in equity with respect to the controversy involved. The award by the arbitrator will have the same force and effect and may be filed and entered, as a judgment of the Superior Court of the State of California and is subject to appellate review upon the same terms and conditions as the law permits for judgments of Superior Courts. A “Prevailing Party” will be determined in the Arbitration, and the prevailing party will be entitled to reasonable attorney’s fees and costs incurred, and accrued interest on any unpaid balance that may be due. Costs will include the cost of any expert employed in the preparation or presentation of any evidence. All costs incurred and reasonable attorney fees will be considered costs recoverable in that proceeding, and be included in any award.

13. TERMINATION OF AGREEMENT

- A. **Termination for Cause or Default.** The City reserves the right to immediately terminate this Agreement, in whole or in part, if Consultant or any subconsultant defaults or fails to deliver the Services in accordance with the terms and conditions of this Agreement. Such termination must be in writing, setting forth the effective date of termination, and will not result in any penalty or other charges to the City, and may be issued without any prior notice. - C. **Steps after Termination:**
- i. Upon termination of this Agreement by the City for any reason, the City will pay Consultant for satisfactorily performed Services and disbursements incurred by Consultant to the date of termination pursuant to this Agreement, less any amounts necessary to compensate the City for damages or costs incurred by the City arising from Consultant's default. Termination will be without prejudice to any other rights or remedies the City may have.
 - ii. Upon receipt of written notice of termination of this Agreement by the City for any reason, Consultant must:
 - a. Promptly cease all Services, including Services provided by any subconsultant, unless otherwise directed by the City; and
 - b. Deliver to the City all the Materials provided to Consultant or prepared by or for Consultant or the City in connection with this Agreement. Such Materials are to be delivered to the City in completed form; however, notwithstanding the provisions of Section 10, Ownership and Use of Materials, herein, the City may condition payment for services rendered to the date of termination upon Consultant's delivery to the City of such Materials.
 - iii. If this Agreement is terminated by the City for any reason, the City is hereby expressly permitted to assume the projects and Services, and to complete them by any means including, but not limited to, an agreement with another party.

14. LEGAL ACTION / VENUE

Consultant further acknowledges that harassment in the workplace is not permitted in any form, and will take all necessary actions to prevent such conduct.
- B. **Acceptance of Services Not a Release.** Acceptance by the City of the Services to be performed under this Agreement does not operate as a release of Consultant from professional responsibility for the Services performed.
- C. **Force Majeure.** Either party is absolved from its obligation under this Agreement when and to the extent that performance is delayed or prevented, and in the City's case, when and to the extent that its need for vehicles, materials, or Services to be supplied hereunder are reduced or eliminated by any cause, except financial, for reasons beyond its control. Such reasons include, but are not limited to: earthquake, flood, epidemic, fire, explosion, war, civil disorder, act of God or of the public enemy, act of federal, state or local government, or delay in transportation to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.
- D. **Headings.** The headings do not govern, limit, modify, or in any manner affect the scope, meaning or intent of the provisions of this Agreement. The headings are for convenience only.
- E. **Entire Agreement.** This Agreement, including the Exhibits attached hereto, constitutes the entire agreement between the parties hereto with respect to the terms, conditions, and Services and supersedes any and all prior proposals, understandings, communications, representations and agreements, whether oral or written, relating to the subject matter thereof pursuant to Section 1B, "Change Order of Services." Any Change Order to this Agreement will be effective only if it is in writing signed by both parties hereto and will prevail over any other provision of this Agreement in the event of inconsistency between them.
- F. **Conflict between Agreement and Exhibits.** In the event of a conflict between a provision in this Agreement and a provision in an Exhibit attached to this Agreement, the provisions in this Agreement will take precedence.

- G. **Counterparts**. This Agreement may be executed in one or more counterparts, each of which will be deemed an original, and may be signed in counterparts, but all of which together will constitute one and the same Agreement.
- H. **Multiple Copies of Agreement**. Multiple copies of this Agreement may be executed, but the parties agree that the Agreement on file in the office of the City's City Clerk is the version of the Agreement that governs should any difference exist among counterparts of this Agreement.
- I. **Authority**. Any individual executing this Agreement on behalf of the City or Consultant represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.
- J. **Severability**. If any of the provisions contained in this Agreement are held illegal, invalid or unenforceable, the enforceability of the remaining provisions will not be impaired thereby. Limitations of liability and indemnities will survive termination of the Agreement for any cause. If a part of the Agreement is valid, all valid parts that are severable from the invalid part remain in effect. If a part of this Agreement is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.
- K. **Non-exclusive Agreement**. This Agreement is non-exclusive and both the City and Consultant expressly reserve the right to enter into agreements with other Consultants for the same or similar services, or may have its own employees perform the same or similar services.
- L. **Assignment of Interest**. The duties under this Agreement are not assignable, delegable, or transferable without the prior written consent of the City. Any such purported assignment, delegation, or transfer constitutes a material breach of this Agreement upon which the City may terminate this Agreement and be entitled to damages.
- M. **City Business License**. Prior to receiving a Notice to Proceed from the City, Consultant will obtain and maintain a valid City of Carmel-by-the-Sea Business License for the duration of the Agreement. Costs associated with the license are the responsibility of Consultant.
- N. **Laws**. Consultant agrees that in the performance of this Agreement it will comply with all applicable federal, state and local laws and regulations. This Agreement will be governed by and construed in accordance with the laws of the State of California and the City of Carmel-by-the-Sea.

IN WITNESS WHEREOF, the parties enter into this Agreement hereto on the day and year first above written in Carmel-by-the-Sea, California.

Scope of Work, for Carmel Police and Public Works Facilities Study

Indigo Hammond + Playle Architects, LLP

May 8, 2023

Existing Police Building and Garage:

1. The existing 1966 Police Building is 3 stories with a total conditioned floor area of 10,800 SF. The Police Department is primarily located on the 3,500 square foot Upper Level, including the main entry and lobby along with most departmental spaces. The 3,700 square foot Middle Level is mostly occupied by the Police shooting range and storage. The 3,600 square foot Lower Level is devoted to Public Works use.
2. A 12,150 square foot unconditioned Garage is connected to the Lower Level of the Police Building. Both the Police Building and the Garage were designed and built as one building in 1966. The roof of the garage forms the entry plaza to the Police Building's Upper Level. This plaza roof is known to leak. The Garage structure may have been designed to support a future second level, which would replace the existing plaza. The Garage features a west roll-up door onto Junipero Street, and two east roll-up doors opening onto the City's Corporation Yard.
3. There are Public Works administrative offices located in a rectangular 350 square foot mezzanine Annex of the Garage on the west side, also part of the original construction. These offices connect to a foyer, which appears to have been added later, with a main entry door opening to a path sloping up to the public sidewalk. There is also an interior door from these offices, leading into the Garage itself.
4. Total area of the Police Building, Garage, and Public Works Annex is 23,300 SF. Police, in effect, are occupying 7,200 square feet. Public Works occupies 3,950 square feet, and the shared Garage takes up the remaining 12,150 square feet.
