Parking Stall Permits

- Vehicles placed in the rented parking stalls remain in that stall for the day unless for valet services.
- Businesses responsible for traffic control and security, as needed
- No rental of the green zone spaces on the corners of each block

Impacts & Mitigation

Exotics and fuel run groups still causing issues for the village in the evenings. To mitigate the City will:

- Deploy traffic calming measures on Ocean Ave.
- Deploy temporary speed bumps throughout the village
- Continue to monitor social media, communicate with other agencies, provide mutual aid (STOPP)
- Continue “No Tolerance” approach to dangerous driving
