7. **INSURANCE**

Consultant must submit and maintain in full force all insurance as described herein. Without altering or limiting Consultant's duty to indemnify, Consultant must maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

- A. Commercial General Liability Insurance including but not limited to premises, personal injuries, bodily injuries, property damage, products, and completed operations, with a combined single limit of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

- C. Automobile Liability Insurance covering all automobiles, including owned, leased, non-owned, and hired automobiles, used in providing Services under this Agreement, with a combined single limit of not less than \$1,000,000 per occurrence.
- D. Workers' Compensation Insurance. If Consultant employs others in the performance of this Agreement, Consultant must maintain Workers' Compensation insurance in accordance with California Labor Code section 3700 and with a minimum of \$1,000,000 per occurrence.

 - b. Provide that such Consultant's insurance is primary as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City is excess to the Consultant's insurance and will not contribute with it.
 - c. Contain a "Separation of Insureds" provision substantially equivalent to that used in the ISO form CG 00 01 10 01 or their equivalent.

All coverage available to the Consultant as named insured will also be available and applicable to the additional insured. Notwithstanding these insurance requirements, Consultant is financially liable for its indemnity obligations under this Agreement.
- vi. All policies must be written on a first dollar coverage basis or contain a deductible provision. Any deductibles or self-insured retentions ("SIR") must be declared to and approved by the City. At the option of the City, either: the insured will reduce or eliminate such deductibles or SIR as respects the City, its officers, officials, employees and volunteers; or Consultant will provide a financial guarantee satisfactory to the City guaranteeing payment of losses and related investigations, claim administration, and defense expenses. In no event will any SIR or insurance policy contain language, whether added by endorsement or contained in the policy conditions, that prohibits satisfaction of any self-insured provision or requirement by anyone other than the named insured, or by any means including other insurance, or which is intended to defeat the intent or protection of an additional insured.

- vii. City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
- viii. Consultant must require and verify that all subconsultants and subcontractors maintain insurance meeting all the requirements in this Agreement.
- ix. If Consultant, for any reason, fails to have in place at all times during the term of this Agreement all of the required insurance coverage, the City may, but is not obligated to, obtain such coverage at Consultant's expense and deduct the cost from the sums due Consultant. Alternatively, City may terminate the Agreement.
- x. The existence of the required insurance coverage under this Agreement will not be deemed to satisfy or limit Consultant's indemnity obligations under this Agreement. Consultant acknowledges that the insurance coverage and policy limits set forth in this Agreement constitute the minimum coverage and policy limits required. Should any coverage carried by the Consultant or any subcontractor of any tier have limits of liability that exceed the limits or have broader coverage than required in this Agreement, those higher limits and that broader coverage are deemed to apply for the benefit of any person or organization included as an additional insured and those limits and broader coverage will become the required minimum limits and insurance coverage in all sections of this Agreement. Any insurance proceeds available to City in excess of the limits and coverages required by this Agreement, and which is applicable to a given loss, must be made available to City to compensate it for such losses.
- xi. Consultant must give City prompt notice of claims made of lawsuits initiated that arise out of or result from Consultant's performance under this Agreement, and that involve or may involve coverage under any of the required liability insurance policies.
- xii. The Consultant hereby waives any right of subrogation that any of its insurers may have or that they may accrue out of the payment of any claim related to the Consultant's performance of this Agreement, regardless of whether any endorsements required by this section are obtained.

12. CONFLICT OF INTEREST

Consultant covenants that neither Consultant, nor any officer, principal or employee of its firm, has or will acquire any interest, directly or indirectly, that would conflict in any manner with the interests of City relating to this Agreement or that would in any way hinder Consultant's performance of services under this Agreement. Consultant's attention is directed to the conflict of interest rules applicable to governmental decision-making contained in the Political Reform Act (California Government Code Section 87100 and following) and its implementing regulations (California Code of Regulations, Title 2, Section 18700 et seq.), and California Government Code section 1090.

Consultant is required to file a Form 700 in compliance with the City's Conflict of Interest Code unless a written determination by the City Administrator is made modifying or eliminating said requirement, or unless otherwise exempted by law.

In addition, Consultant, Consultant's employees, and subconsultants agree as follows:

- A. That they will conduct their duties related to this Agreement with impartiality, and must, if they exercise discretionary authority over others in the course of those duties, disqualify themselves from dealing with anyone with whom a relationship between them could bring the impartiality of Consultant or its employees into question;
- B. May not influence, seek to influence, or otherwise take part in a decision of the City knowing that the decision may further their private interests;
- C. May not accept any commission, discount, allowance, payment, gift, or other benefit connected, directly or indirectly, with the performance of Services related to this Agreement, that causes, or would appear to cause, a conflict of interest;
- D. May have no financial interest in the business of a third party that causes, or would appear to cause, a conflict of interest in connection with the performance of the Services related to this Agreement, and if such financial interest is acquired during the term of this Agreement, Consultant must promptly declare it to the City, and;
- E. May not, during the term of this Agreement, perform a service for, or provide advice to, any person, firm, or corporation, which gives rise to a conflict of interest between the obligations of Consultant under this Agreement and the obligations of Consultant to such other person, firm or corporation.

13. DISPUTE RESOLUTION

- A. **Dispute Resolution Procedures.** The parties will make reasonable efforts to promptly resolve any dispute, claim, or controversy arising out of or related to this Agreement ("Dispute") using the Dispute Resolution Procedures set forth in this Section.

- B. **Negotiations.** First, the City’s Project Representative and Consultant’s Project Manager will make reasonable efforts to resolve any Dispute by amicable negotiations and will provide frank, candid, and timely disclosure of all relevant facts, information, and documents to facilitate negotiations. Should these negotiations be unsuccessful in resolving the Dispute, the matter will be promptly referred to the City Administrator or designee, and the Consultant’s Principal, who will meet and confer, in good faith, to resolve the Dispute to mutual satisfaction of the parties.
- C. **Mediation.** If all or any portion of a Dispute cannot be resolved by good faith negotiations as set forth above within thirty (30) days of the date that the matter was referred to the City Administrator pursuant to subsection B above, either party may, by notice to the other party, submit the Dispute for formal mediation to a mediator selected mutually by the parties from the Monterey Superior Court’s Court-Directed Mediator Panel list. The duration of any such mediation may not exceed 2 hours unless otherwise agreed to by the parties. The cost of the mediation (including fees of mediators) will be borne equally by the parties, and each party will bear its own costs of participating in mediation. The mediation will take place within or in close proximity to the City of Carmel-by-the-Sea.

In any mediation conducted pursuant to this section, the provisions of California Evidence Code section 1152 will be applicable to limit the admissibility of evidence disclosed by the parties in the course of the mediation. In the event the parties are unsuccessful in resolving the dispute through the mediation process, then the parties agree that the dispute will be submitted to Binding Arbitration to a single Arbitrator in accordance with the existing Rules of Practice and Procedure of the Judicial Arbitration and Mediation Services, Inc. (JAMS) within thirty (30) days of the close of mediation as declared by the mediator.

- D. **Arbitration.** The submission to Mediation and Arbitration in accordance with the requirements of this section of any and all agreements, differences, or controversies that may arise hereunder is made a condition precedent to the institution of any action or appeal at law or in equity with respect to the controversy involved. The award by the arbitrator will have the same force and effect and may be filed and entered, as a judgment of the Superior Court of the State of California and is subject to appellate review upon the same terms and conditions as the law permits for judgments of Superior Courts. A “Prevailing Party” will be determined in the Arbitration, and the prevailing party will be entitled to reasonable attorney’s fees and costs incurred, and accrued interest on any unpaid balance that may be due. Costs will include the cost of any expert employed in the preparation or presentation of any evidence. All costs incurred and reasonable attorney fees will be considered costs recoverable in that proceeding, and be included in any award.

14. TERMINATION OF AGREEMENT

- A. **Termination for Cause or Default.** The City reserves the right to immediately terminate this Agreement, in whole or in part, if Consultant or any subconsultant defaults or fails to deliver the Services in accordance with the terms and conditions of this Agreement. Such termination must be in writing, setting forth the effective date of termination, and will not result in any penalty or other charges to the City, and may be issued without any prior notice. Without limitation, Consultant is in default of its obligations contained in this Agreement if Consultant, or any subconsultant:

- i. Fails to perform the required Services within the term and/or in the manner provided under this Agreement;
 - ii. Fails to supply sufficient, properly skilled workers or proper workmanship, products, material, tools and equipment to perform the Services;
 - iii. Fails to observe or comply with all laws, ordinances, including all requirements of governmental or quasi-governmental authorities, including federal, state, and local government enactments, bylaws, and other regulations now or, following the date of this Agreement, in force that pertain to;
 - iv. Fails to observe or comply with the City's reasonable instructions;
 - v. Breaches the Conflict of Interest provisions of this Agreement; or
 - vi. Otherwise violates any provision of this Agreement.
- B. **Termination for Convenience.** The City may, at its option and sole discretion, terminate this Agreement, in whole or in part, with or without cause, at any time during the Agreement Term for the convenience of the City, upon ten (10) days written notice to the Consultant.
- C. **Steps after Termination:**
- i. Upon termination of this Agreement by the City for any reason, the City will pay Consultant for satisfactorily performed Services and disbursements incurred by Consultant to the date of termination pursuant to this Agreement, less any amounts necessary to compensate the City for damages or costs incurred by the City arising from Consultant's default. Termination will be without prejudice to any other rights or remedies the City may have.
 - ii. Upon receipt of written notice of termination of this Agreement by the City for any reason, Consultant must:
 - a. Promptly cease all Services, including Services provided by any subconsultant, unless otherwise directed by the City; and
 - b. Deliver to the City all the Materials provided to Consultant or prepared by or for Consultant or the City in connection with this Agreement. Such Materials are to be delivered to the City in completed form; however, notwithstanding the provisions of Section 10, Ownership and Use of Materials, herein, the City may condition payment for services rendered to the date of termination upon Consultant's delivery to the City of such Materials.
 - iii. If this Agreement is terminated by the City for any reason, the City is hereby expressly permitted to assume the projects and Services, and to complete them by any means including, but not limited to, an agreement with another party.

15. LEGAL ACTION / VENUE

- A. Should either party to this Agreement bring legal action against the other, the validity, interpretation and performance of this Agreement will be controlled by and construed under the laws of the State of California, excluding California's choice of law rules.
- B. Venue for any such action relating to this Agreement will be in Monterey County.
- C. If any legal action or proceeding, including action for declaratory relief, is brought for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement, the prevailing party may recover reasonable attorneys' fees as may be determined by the Arbitrator, experts' fees, and other costs, in addition to any other relief to which the party may be entitled.

16. MISCELLANEOUS PROVISIONS

- A. **Non-discrimination**. During the performance of this Agreement, Consultant, and its subconsultants, may not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, or sexual orientation, either in Consultant's employment practices or in the furnishing of services to recipients. Consultant further acknowledges that harassment in the workplace is not permitted in any form, and will take all necessary actions to prevent such conduct.
- B. **Acceptance of Services Not a Release**. Acceptance by the City of the Services to be performed under this Agreement does not operate as a release of Consultant from professional responsibility for the Services performed.
- C. **Force Majeure**. Either party is absolved from its obligation under this Agreement when and to the extent that performance is delayed or prevented, and in the City's case, when and to the extent that its need for vehicles, materials, or Services to be supplied hereunder are reduced or eliminated by any course, except financial, for reasons beyond its control. Such reasons include, but are not limited to: earthquake, flood, epidemic, fire, explosion, war, civil disorder, act of God or of the public enemy, act of federal, state or local government, or delay in transportation to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.
- D. **Headings**. The headings do not govern, limit, modify, or in any manner affect the scope, meaning or intent of the provisions of this Agreement. The headings are for convenience only.
- E. **Entire Agreement**. This Agreement, including the Exhibits attached hereto, constitutes the entire agreement between the parties hereto with respect to the terms, conditions, and Services and supersedes any and all prior proposals, understandings, communications, representations and agreements, whether oral or written, relating to the subject matter thereof pursuant to Section 1B, "Change Order of Services." Any Change Order to this Agreement will be effective only if it is in writing signed by both parties hereto and will prevail over any other provision of this Agreement in the event of inconsistency between them.

- F. **Conflict between Agreement and Exhibits.** In the event of a conflict between a provision in this Agreement and a provision in an Exhibit attached to this Agreement, the provisions in this Agreement will take precedence.
- G. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed an original, and may be signed in counterparts, but all of which together will constitute one and the same Agreement.
- H. **Multiple Copies of Agreement.** Multiple copies of this Agreement may be executed, but the parties agree that the Agreement on file in the office of the City's City Clerk is the version of the Agreement that governs should any difference exist among counterparts of this Agreement.
- I. **Authority.** Any individual executing this Agreement on behalf of the City or Consultant represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.
- J. **Severability.** If any of the provisions contained in this Agreement are held illegal, invalid or unenforceable, the enforceability of the remaining provisions will not be impaired thereby. Limitations of liability and indemnities will survive termination of the Agreement for any cause. If a part of the Agreement is valid, all valid parts that are severable from the invalid part remain in effect. If a part of this Agreement is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.
- K. **Non-exclusive Agreement.** This Agreement is non-exclusive and both the City and Consultant expressly reserve the right to enter into agreements with other Consultants for the same or similar services, or may have its own employees perform the same or similar services.
- L. **Assignment of Interest.** The duties under this Agreement are not assignable, delegable, or transferable without the prior written consent of the City. Any such purported assignment, delegation, or transfer constitutes a material breach of this Agreement upon which the City may terminate this Agreement and be entitled to damages.
- M. **City Business License.** Prior to receiving a Notice to Proceed from the City, Consultant will obtain and maintain a valid City of Carmel-by-the-Sea Business License for the duration of the Agreement. Costs associated with the license are the responsibility of Consultant.
- N. **Laws.** Consultant agrees that in the performance of this Agreement it will comply with all applicable federal, state and local laws and regulations. This Agreement will be governed by and construed in accordance with the laws of the State of California and the City of Carmel-by-the-Sea.

IN WITNESS WHEREOF, the parties enter into this Agreement hereto on the day and year first above written in Carmel-by-the-Sea, California.

Re: Carmel-by-the-Sea Historic Context Statement Update – Phase Two
Proposal Response to RFP 23-24-003

Dear Ms. Wallace:

At the City of Carmel-by-the-Sea's request, the following proposal response provides a proposed Scope of Work, Table of Contents and Fee Estimate for Phase Two of the Carmel Historic Context Statement (Carmel HCS) Update. In 2022, PAST Consultants, LLC (PAST) successfully completed the Certified Local Program (CLG)-funded Carmel HCS 1966 – 1986 update.

Methodology to Date

The 2022 Carmel HCS update was a collaborative process between the California State Office of Historic Preservation (SHPO), Carmel Planning Staff, the Carmel Historic Resources Board (HRB) and the public. Preparation of the update allowed PAST and Carmel Planning Staff to analyze and evaluate the present document and to understand its strengths and inadequacies. Meetings with the Carmel HRB and the public confirmed that a second phase of the Carmel HCS update is necessary to make the document be a more effective evaluative tool for assessing potential historic properties.

In summary, the present document contains structural and narrative issues, such as:

1. The present document lacks a chronological structure that would aid evaluation of potential historic properties.
 2. Related to Number 1 above, the existing themes are too broad in scope and time period. For example, the theme "Economic Development" spans a long time period (1846-1986) and is too general to apply to Carmel's unique architectural development.
 3. While the present historical development is detailed and thorough, portions of the narrative are repetitive or inconsistent and may contain factual errors.

4. The present document does not contain an evaluative methodology for establishing historic significance and historic integrity for specific properties. This necessary evaluative methodology was partially addressed by our consultant team in the 1966-1986 Carmel HCS update by placing integrity threshold tables in the Architectural Development chapter. However, this methodology should be tailored and applied to every theme/time period within the document.
5. The present document does not contain an introductory chapter that presents the historic significance criteria (Federal, State and Local), describes the process of evaluating historic integrity and summarizes historic preservation efforts within the City.
6. Historic context statements should be visual documents. Until the completion of the 1966-1986 Carmel HCS update by PAST, the document had no photographs of important historic properties, or Carmel architectural styles.
7. Related to Number 6 above, the document does not contain photographs of typical styles, nor does it contain lists of character defining features for each style, both of which are critical for purposes of determining historic integrity.

Based on what the project team has learned from our recent Carmel HCS update process and the requirements of this RFP, PAST proposes the following Table of Contents, Scope of Work and Fee Estimate to address the needs of the present document.

PAST Consultants: Summary of Qualifications

Seth Bergstein, Principal of PAST Consultants, LLC, began his technical career as a civil, structural and geotechnical engineer for a variety of commercial and transportation engineering projects. This experience created an appreciation for historic engineering and architectural structures and led him to architectural study at the University of Oregon and a Master of Arts in Historic Preservation from Cornell University. After Cornell, Seth was an architectural historian, materials conservator and project manager for Architectural Resources Group and managed projects for a diverse range of historic building types, including the Point Reyes Lighthouse, Bernard Maybeck's First Church of Christ, Scientist, Pasadena City Hall, the John Muir House, and a number of historic bridges, including project management for the restoration of the Wawona Covered Bridge in Yosemite National Park.

In 2004, Mr. Bergstein founded PAST Consultants, LLC (PAST), a historic preservation consulting firm specializing in preservation planning, documentation, and conservation of historic and cultural resources. PAST's clients include the State of California, public agencies, architectural and engineering firms, museums, nonprofit organizations, preservation advocates and private property owners. PAST is represented on the California Historical Resources Information System (CHRIS) list of qualified historic consultants sponsored by the California Office of Historic Preservation and is on numerous certified consultant lists for public agencies throughout California.

PAST has prepared successful National Register nominations, written historic context statements for public agencies, photo-documented historic buildings for HABS/HAER projects, prepared historic structure reports and evaluated numerous historic buildings throughout central and northern California for both public and private clients. PAST is often hired to evaluate proposed changes to historic buildings for conformance with the *Secretary of the Interior's Standards for the Treatment*

of Historic Properties. PAST is presently the on-call historic preservation consultant for the City of Carmel-by-the-Sea and the City of Capitola.

Principal Seth Bergstein has over 30 years combined experience in civil and structural engineering, materials conservation, architectural history and historic preservation planning. Seth meets the *Secretary of the Interior's Professional Qualifications Standards in Architectural History and History*. Mr. Bergstein has been keynote speaker at preservation conferences, has written articles on historic contexts and the preparation of historic context statements, provided historic preservation training to city planning staff and has led architectural tours. He is a member of the Alliance of Monterey Area Preservationists (AMAP) and is founding board member of the Monterey Area Architectural Resources Archive (MAARA).

Previous Certified Local Government (CLG) Experience

In 2010 and 2011 PAST was awarded two CLG-funded projects through the California State Office of Historic Preservation (SHPO): the 2010 *Historic Context Statement for Agricultural Resources in the North County Planning Area, Monterey County* and the 2011 *Agricultural Resources Evaluation Handbook, Monterey County, California*. The latter project was a collaborative effort with Monterey County, the California State Office of Historic Preservation (SHPO) and the community to develop a methodology for evaluating historic agricultural resources as a model for all regions of California. Both public reports are published on the Monterey County housing and community development website.

In 2022, PAST completed the Certified Local Program (CLG)-funded Carmel HCS 1966 – 1986 update.

Comments About the Proposed Table of Contents

The chapters within the existing document: Prehistory and Hispanic Settlement (1542-1846), Economic Development (1846-1986), Government, Civic and Social (1903-1986), Architectural Development (1888-1986) and Development of Art and Culture (1904-1986) will need to be analyzed, edited, fact-checked and parsed into the individual historic context narratives for each of the six proposed themes. This process will be challenging and will require a substantial amount of editing and revision to create a flowing and easily readable document.

Our experience with photographing Carmel commercial and residential properties for the 1966-1986 Carmel HCS update is that the City is busy with tourists and other commerce, making it difficult to get clear photographs of the buildings. Residential properties are set back from the street, obscured by trees and often are not visible from behind fencing. For these reasons, the photographic process will likely take longer than a photographic phase for a typical context study area.
