Dear Mr. Kort,

I am writing to advocate in favor of the proposed project numbered DS 24089 & LM 24151 at Santa Fe 2 SW Mountain View.

I live at <REDACTED> and walk by the subject often when I am on my walk in the neighborhood.

The proposed project is beautifully designed and will look great with the designer's choice of materials as proposed. This project will be a pleasant enhancement to the neighborhood.

Sincerely,

Ole M. Pedersen
