Catherine

I am enclosing information that you have requested;
Casanova has been under the same ownership for the
last forty years. I designed , build and developed the restaurant
concept in 1976. Since then there has been a continuous evolution
in the culinary arts. Our success is contributed to
our ever evolving way of meeting our guests demands for quality of service and fine food.

Over the past four decades trends have changed and traffic patterns
continue to fluctuate. Its an ever growing concern for Carmel restaurateurs .
Casanova has been open for breakfast, lunch and dinner.
Hours of operation have been historically from 7:30 AM for Breakfast
11:30 for lunch to 3:00 PM. Dinner from 4:30 to 10:00 PM.
These hours do vary from time to time in summer
as well as winter time when it get dark much earlier.
Presently we are open for lunch/brunch and dinner 7 days a week.
We may revisit breakfast in the near future as well.
We have a total 112 original allowed seats indoor and outdoor.

Should you have any questions I am available,
