Contractor agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this section from each and every subcontractor or any other person or entity involved by, for, with or on behalf of Contractor in the performance of this Agreement. In the event Contractor fails to obtain such indemnity obligations from others as required here, Contractor agrees to be fully responsible according to the terms of this section. Failure of City to monitor compliance with these requirements imposes no additional obligations on City and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend City as set forth here is binding on the successors, assigns or heirs of Contractor and shall survive the termination of this Agreement or this section.

(d) Indemnity Provisions for Contracts Related to Construction. Without affecting the rights of City under any provision of this Agreement, Contractor shall not be required to indemnify and hold harmless City for liability attributable to the active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the obligation of Contractor will be for that entire portion or percentage of liability not attributable to the active negligence of City.

## 12. WARRANTIES

Contractor agrees that it will warrant all work performed and equipment supplied hereunder for a period of one year or, in the case of equipment, for the period of the manufacturer's warranty if such warranty be for a period longer than one year. Contractor shall immediately correct all defective workmanship discovered within one year after acceptance of final payment by it and shall indemnify and defend City against all loss and damage occasioned by any such defect, discovered within said year, even though the damage or loss may not be ascertained until after the expiration thereof. Nothing herein constitutes a waiver of City's rights or any statute of limitations.

The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of worker employed on the Project.

Pursuant to Senate Bill 222 City is required to withhold from any progress payments owed to a Contractor any amount that has been forfeited as penalties, or as wages owed to employees who have not been paid the prevailing wage for work performed. This allows the intervention by the Division of Labor Standards Enforcement, which is headed by the State Labor Commission, in a Contractor's lawsuit for recovery of amounts withheld by an awarding body. All withheld wages and penalties will be transferred to the Labor Commissioner for disbursement in those cases where a Contractor fails to bring a lawsuit for amounts withheld within ninety (90) days after completion of the public works Contract and formal acceptance of the job by the awarding body. The Labor Commissioner is then permitted to intervene in any lawsuit brought by the Contractor against an awarding body for recovery of amounts withheld.

Contractor shall complete and file and shall require any other person doing work under this Agreement to complete and file a "Statement of Economic Interest" with City disclosing Contractor's and/or such other person's financial interests.

#### **18. NO WAIVER OF BREACH/TIME**

The waiver by City of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such term or provision or any subsequent breach of the same or any other term or promise contained in this Agreement. Time is of the essence in carrying out the duties hereunder.

Contractor agrees to cooperate fully with the City and City Attorney's office and to provide the opportunity to review any response to discovery requests provided by Contractor. However, City's right to review any such response does not imply or mean the right by City or the City Attorney's office to control, direct, or rewrite said response.
