For March 2, 2021 Council Meeting

Dear Carmel City Council,

It just came to our attention that Sades' hours of operation may be allowed to extend past 10pm in the street in front of their bar. When they operated indoors it was almost bearable, but allowing them to put their bar in the street shows a lack of leadership and disregard for the community.

The new owner likes to say "the memories start after 10pm". It's more likely that's when the regrets start. Sades' business is booze, so let's stop romanticizing its reputation in the neighborhood. As long as these operations are using public space, the 10PM last call seems more than fair. Sincerely,

B. Berensen
