Good afternoon,

I wanted to take a moment on behalf of my husband and I to let you know that we whole-heartedly approve the new design submitted by Esperanza Carmel. As 40-year visitors, and now as full-time residents, we love this village. We sincerely hope that this new design is accepted. It is beautiful with all of the many details and has something for everyone to embrace!

We also appreciate the community outreach by Esperanza regarding "the pit". Thanks for all the hard work you do with the City. We hope this plan will go forward with a spirit of cooperation.

Diane and John Korellis
