CITY OF CARMEL-BY-THE-SEA COMMUNITY MEETING Staff Report

October 5, 2023

TO:	Community Meeting Members
SUBMITTED BY:	Brandon Swanson, Community Planning & Building Director
SUBJECT:	Review and provide feedback on example photos in the Residential and Commercial Design Guidelines. This discussion will inform any revised or new photos that may be needed for the next draft of the Guidelines.

RECOMMENDATION:

Review and provide feedback on example photos in the Residential and Commercial Design Guidelines to inform any revised or new photos that may be needed for the next draft of the Guidelines.

BACKGROUND/SUMMARY:

Throughout both the Residential and Commercial Design Guidelines, photographs and diagrams are used to illustrate the written guidelines. These visuals, serve to provide clarity and examples of the City's expected design outcomes. During the Design Traditions 1.5 process, the Steering Committee and Staff recognized the need to update some existing pictures, and possibly add/remove others.

The Steering Committee is being asked to work through both the Residential and Commercial "Brevity Draft" Design Guidelines to provide feedback on which pictures should remain, be changed, be removed, or be added. For new pictures that are identified, the Committee will be asked to provide feedback on what qualities the new photograph should focus on, so that the photography team can shoot the appropriate picture. A worksheet will be provided for the meeting, which will be used to take notes on each numbered guideline in both documents (e.g.: Section 3.1.1).

Once feedback has been received on both Guidelines, a team will work to capture any new photographs that are needed for inclusion in the revised documents.
